The Lodge

The Lodge is a flexible, well-designed facility located in a spectacular wilderness setting. The impressive main hall features floor to ceiling windows and wrap-around decks overlooking the picturesque fjords, islands, and mountain ranges of BC's Sunshine Coast.

Here you will find something for everyone. Whether you visit for an adventure tour, relaxing retreat, or an outdoor recreation vacation. The Lodge is an ideal environment: 12,000 square feet of indoor space set on ten acres of temperate rain forest, a large beach front area and a network of trails. The property backs on a rich, century-old rainforest.

In the tradition of west coast cuisine, the kitchen prepares delicious meals that blend international influences, wholesome ingredients, excellent flavour and abundant servings. Gathering for shared meals creates a friendly atmosphere and a sense of community at the Lodge. The experience of dining is heightened by the spacious hall and panoramic views. Coffee and tea is available throughout the day to be enjoyed in meetings, on scenic decks, or by the inviting hearth indoors.

The wilderness-themed accommodations are comfortable and attractive. A variety of recreational facilities are available to enjoy at your own leisure. Open access facilities include hiking trails, beach volleyball, a lounge with billiards and games, Frisbee golf and badminton.

Some of the most memorable moments at the Lodge are spent watching the sun set over the mountains from the outdoor Hot Tub. The perfect blend of exhilaration and rejuvenation is the hallmark of your Lodge vacation.

The highlight of your visit to the Lodge will be the wide range of recreational opportunities offered. Adventure tours offer heli-hiking, fly-fishing, local boat tours, and other specialty eco-adventure programs (additional costs). And for those who want to have tee-time: a golf course is near by.
