WINTER ADVENTURE ACTIVITY PACKAGE: CAD\$ 245.00

The ultimate winter experience at one modest price! Be prepared for an afternoon filled with great activities.

Snow Shoeing: We try to walk like the old-timers and trappers do. You'll find out soon that this mode of transportation is lots of fun - and hard work. So work up a sweat and go into the deep snow to break trail.

Dog Sledding: Ride with an experienced dog musher and enjoy the ride on the sled pulled by a strong team of well trained huskies. Experience the beautiful winter landscape from your sled.

Snow Mobil: Again, let yourself be introduced to these fun machines and drive on a groomed trail. You'll be amazed, how easy it is to get hooked to the fun of a snow machine.

Surprise Events: We will offer you other entertaining activities like snow tobogganing, inner-tubing or snow-canoeing. Included are transfers, activities and individual instructions, snacks and hot drinks.

Duration: 4-5 hours.

SNOW MOBIL DRIVING: CAD\$ 265.00

We drive you to the site and introduction to the safety of driving a snow machine. After instructions and a trial run with your instructor you'll be driving your own machine over prepared trails through the incredible winter landscape of the Yukon. Includes transfers, instruction, the use of a snow machine, snacks and hot drinks.

Duration: 7-8 hours.

DOG SLEDDING: CAD\$ 265.00

Drive by van to the dog musher outside the City of Whitehorse. Here you'll learn how to harness the dogs, hitch them to the sled and then ride for a short distance in the basket. The highlight of this excursion will be when you'll run your own dog team for approximately 1 hour.

Includes transfers, instruction, use of dogs and sled and hot drinks.

Duration: 7-8 hours.

ICEFISHING AND SNOWSHOEING: CAD\$ 165.00

After a short drive to a frozen lake we'll show you how to walk on snowshoes. With our fishing equipment we'll walk on to the ice of the lake where we'll fish through a hole in the ice. With some luck we catch a Lake Trout or Grayling and pull it up.

Includes transfers, snowshoes, angling equipment, instruction on how to use snowshoes and on how to fish, blankets, snack and hot drinks. Duration: 4-5 hours.

ONE HOUR FLIGHT-SEEING EXCURSION:

Enjoy the northern winter wonderland with mountains, lakes and rivers the way birds see it. A unique experience for the adventurous.

Our rates include the transfer from the hotel to the airport and back. Please inquire for rates.

Additional tour prices are per person, in Canadian funds, and subject to taxes and gratuities.
